

Bio of Gary Savage

My family and I have lived and worked in the Nashua area for over 40 years. I have been a full time Realtor for the past five years in the greater Nashua area. I have been married to my wife Terry for 22 years, and we have two great kids, Samantha and Jesse. My entire family has been involved with NH Special Olympics for the past 11 years.

I'm here to help buyers and sellers achieve their goals, and I would like them to know I am an honest and fair person and what I promise is personal care and outstanding service; backed by thorough research of the market and great negotiation skills. I would like you to know that I give each and every client my utmost attention. I work by referral and my goal is to work hard so you would feel comfortable referring me to friends, family and colleagues. And remember I am always available to you and return every call.

So, what do I offer that would make you want to work with me?

LEAD GENERATION - I use a number of ways to bring BUYERS to your home.

CONTRACT NEGOTIATION - My negotiation skills are strong because I do a great deal of research about the property and the market so that you can make informed decisions.

PERSONAL SERVICE - I am available by email or mobile phone (both are listed below).

INFORMATION / KNOWLEDGE - I know the inventory and I know what the competition is doing! I have seen many obstacles that can occur and I have the experience to help you avoid them.

I hope to hear from you soon.

Sincerely,
Gary Savage
